❖ EDUCATION

- **BSc. Information Technology | Northern Caribbean University**
2013 – 2018

  Acquired skills in Software/Web Development and Networking.

❖ EXPERIENCE

- **System Analyst | WINDALCO, Kirkvine, Jamaica**
2018 - Present

  Liaise with end-users as well as software vendors to improve software related workflows and resolve application issues which arise within the workplace.

❖ SKILLS

- Web Development: Nodejs, ReactJS, Firebase, PHP/Laravel, MySQL

- Some MVC5, ASP.net, MsSQL experience

- Game Development: Unity3D (C#)

- Android Development: ReactNative

❖ ACTIVITIES

In my spare time I enjoy creating games with varying mechanics and of different genres. I consider this to be what I am most passionate about, and I have made a few games/prototypes along with a friend, some of which can be found on my website noted above. Aside from the skills mentioned above, I have earned the PC Pro, Linux Pro, NetworkPro & ServerPro certifications from the TestOut Corporation.
